

USA lower 48, 8228 Airports, 91843 nm

Shortest tour of Airports with Grass or Dirt runways (backcountry)

Path ignores terrain and airspace.

Criteria:

- USA FAA Airports
  - Surface Grass, Turf, Dirt, Gravel, or Sand in any condition
  - Status open, Public or private use
- Some airports may not be labeled when crowded.  
Some distances may be greater than the legend maximum.
